LEAF TEA EXPERTS

# Watermelon Burst Mojito (mocktail)

## Gather

- 1 tsp Watermelon Burst Infusion
- Juice of 1/2 lime
- 1 tsp granulated sugar
- Ice
- Small handful mint leaves, plus extra sprig to serve
- 60ml ginger beer
- Soda water, to taste
- Slice watermelon to serve (optional)

**\*\* Also works with Rhubarb Rocks! \*\***

## Method

- Make your tea reduction by brewing 1 tsp Watermelon Burst infusion in just over 50ml boiling water, dissolve some sugar and remove infusion pieces after around 5 mins.
- Put 50ml of tea reduction into a shaker, add ice, the juice of 1/2 lime & a finger full of bruised mint leaves.
- Shake well and pour the entirety into a mojito glass. Pour over the ginger beer and stir.
- Top with soda water and garnish with a sprig of mint and a watermelon slice.
