## eteaket Tea Menu

### Black Teas

*to produce black tea, the leaves are withered, rolled, fermented & fired. Full fermentation gives the leaves their dark colour & allows flavours to be released.*

#### Breakfast Blend - £2.70

A caledonian classic; malty & full bodied with hints of oak. The perfect tea with a bowl of porridge giving you the strength to face a dreich Scottish morning.

#### Royal Earl Grey - £2.95

Our Royal Earl Grey stands head & shoulders above its regular Earl grey subjects. Ceylon tea scented with natural bergamot oil & cornflowers to create a truly regal Earl grey.

#### Bollywood Dreams Chai - £2.95

Intense & spicy tea will take your senses on a journey to the heart of Bengal. Careful blending of quality black tea, aniseed, cinnamon, ginger, black pepper, cloves & chicory roots create a truly intense tea.

#### Decaf Breakfast Caffeine Free - £2.95

All the good bits of a strong hearty blend but without the caffeine. Even though it's a decaf, we have managed to retain all the taste (no mean feat!)

#### Second Flush Darjeeling - £2.95

Darjeeling is known as the champagne of teas & this 'vintage' has a subtle muscatel aroma & a smooth, floral flavour. Whether high-roller or strictly low-rent, this is a taste of the high-life.

#### Chocolate Abyss - £2.95

Chocolate & Tea: Two of the world's best discoveries carefully blended for you to enjoy. Black tea is expertly mixed with real chocolate pieces, cocoa bits & coconut flakes. What's not to like?

#### Life's A Peach - £2.95

Full bodied Ceylon tea blended with sunflowers, cornflower blossoms, delicate rose blossoms & safflower. One taste of this & life starts to look a bit peachy!

#### Lapsang Souchong - £2.95

A distinctive wood-smoke taste & aroma. For happy campers or pyromaniacs, the wood-smoke aroma will evoke memories of sitting round a camp-fire...altogether now, "Ging Gang Gooly..."

### Oolong Teas

*Oolongs are semi-fermented, fragrant & full bodied & are widely enjoyed for their digestive benefits.*

#### Orange Oolong Supreme - £3.50

A sweet & citrus twist on a beautiful Oolong. Hand-rolled leaves create a mix of sweetness & tangyness, with a tart citrus finish.

#### Yellow Gold Oolong - £3.50

There's a new gold rush in town & while we can't promise it will make you rich, this tea will definitely make you feel like a million dollars. Hand-rolled leaves create a mix of sweetness and tangyness.

### Green Teas

*The leaves are unfermented, which preserves the natural properties, making them a healthy & enjoyable drink.*

#### Gunpowder Deluxe - £2.70

This tea has a natural sweet flavour & gets its name from the dry leaf, which resembles gunpowder pellets & explodes into a long leaf on steeping. Boom!

#### Genmaicha - £2.95

Genmaicha is a Japanese speciality meaning "brown rice tea". Rich Sencha green tea is carefully blended with roasted brown rice. A truly sensational tea.

#### Jasmine Chun Hao - £2.95

Green tea is layered with fresh jasmine blossoms night after night until the leaves have the perfect aroma of jasmine. It has a soothing natural aroma great for cleansing the palate & aiding digestion.

#### Blooming Marvellous - £2.95

Quality Sencha is expertly coupled with bright mallow & sunflower petals, exquisite rosebuds, vanilla & fresh, tangy fruit. This lively blend is sure to put a smile on your face & a spring in your step.

#### Dragonwell Delight - £3.50

A superior bright & light green tea. Hand picked spring growth delivers exquisite green notes.

#### Jasmine Pearls - £3.50

Green spring tea is meticulously hand-rolled into delicate pearls before being hand scented six times with fresh jasmine blossoms. Words can't describe this tea but we'll give it a try...incredible!

#### Gyokuro - £3.50

The bushes used for this rare & much coveted Gyokuro tea are shaded for the first 3 weeks of May while the first flush develops. This decreases the bitterness & results in a sweet, flavourful cup.

### White Teas

*A rare & delicate tea. New buds are plucked from the tea bush before they have fully opened. They are then withered to allow moisture to evaporate before they are dried.*

#### White Peony - £2.95

This fresh & mellow brew is made from the buds & leaves that remain after the more famous Silver Needle has been harvested.

#### White Peach - £2.95

Delicate Pai Mu Tan white tea complemented by delicious light & fruity peach.

#### Silver Needle - £2.95

The most famous of all the white teas, & for good reason. The delicate downy buds give a hint of melon, fresh citrus notes & a lingering finish. Forget silver, this tea deserves a gold medal.

### Rooibos Teas

*Rooibos is a caffeine free herb from South Africa. Once oxidised, it turns from green to red creating its characteristic red liquor & citrusy flavour.*
