Testimonials

"The tea party went extremely well on Friday morning and everyone was delighted with their boxes. We will definitely keep your details for any future gift opportunities. Your customer service was exemplary and made the event a joy to organise."

Senior Project Analyst, Baillie Gifford

"Erica is a passionate tea connoisseur, and we enjoyed a lovely (...) afternoon participating in her class over Zoom. The cocktails were delicious, and we learned plenty of practical and philosophical applications for our afternoon (or happy hour) cup of tea. Erica does not cut corners in terms of quality -- and this shows in the entire Eteaket experience; we love your products and can't wait for the tearoom to be open again! Thank you!"
Dave Allen

"They went down a storm...thank you so much . The client was very animated and complimentary of the contents. You went over and above and I cannot thank you enough..."

Operation Director, Gather & Gather

"Great mindful tea tasting session Erica really knows her stuff! The hour flew by and I learned so much. I will take the workshop again whenever we can meet in person again. I thoroughly recommend this workshop for anyone who likes their tea and has an interest in mindful/ self development/ mental health topics. The rituals Erica suggested are all easy to follow and can be incorporated into our daily lives. Thank you"
