P.s. – we can arrange delivery directly to recipients!

Interactive & Sensory Exploration of tea...

eteaket is a Scottish, Edinburgh-based independent whole leaf tea company.

We focus on innovating within the tea industry with unique blends as well as providing bespoke tea education. This includes webinars and interactive sensory explorations of tea through curated collections & tailored classes - for fun & unusual corporate events, intrinsically connected to health & well-being.

tea in mind...

eteaket empowers you to pause and rebalance while sipping on the highest quality ethically sourced teas from all over the world, including our own unique blends, so that you can thrive more every day. Our 3 step 'tea in mind' process fuses our knowledge of tea with our love for self-care & philosophy by suggesting a series of tea routines. Join us & others all around the world, taking a moment each day to thrive in 3.
